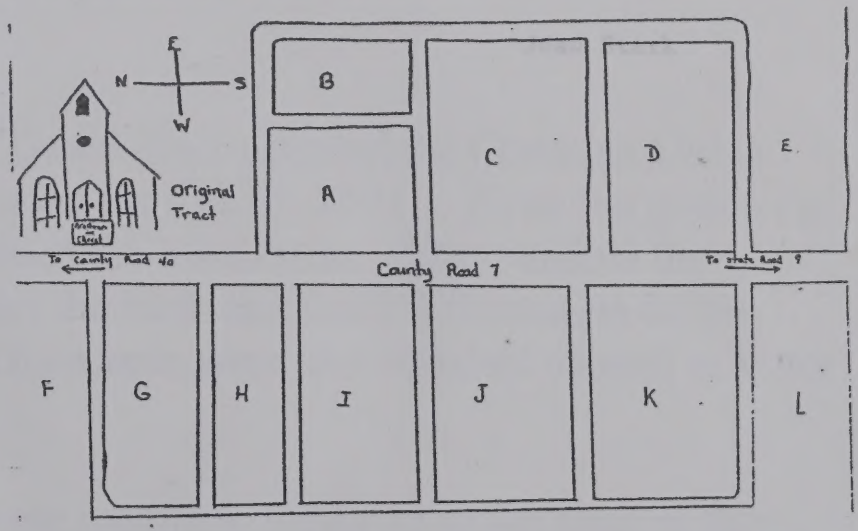
Although the above map is not drawn to scale, the researcher will have an approximate idea of the names of the sections. There are no signs or markers at the cemetery to indicate these sections.



For ease of reading, the above map indicates sections labeled with letters. All rows were read from left to right with the rows numbering from County Road 7.

There are many of us, unseen and unknown by most, carrying on the work for future generations. Quietly surveying and updating the past.

Joan Stark

NBD = no birth date
NDD = no death date

In 2005 Joan and David Stark updated the Christian Union Cemetery inscriptions for 1987 to 2001. From the cemetery records they obtained the burial date. They walked the cemetery to collect the birth and death information on the tombstones. SSDI records were also checked as well as other sources.

Joan and David were unable to locate 13 grave sites as they walked the cemetery. These have been included in this book.

13 burials in Christian Union Cemetery that were not located.
